

Cathryn Bingham, Graphic Designer

Cathryn's 18 years of interpretive design experience encompass all elements of graphic design, from developing initial concepts to final production. She has a knack for capturing the essence of every project in her creative use of colour, imagery and textual elements. Her graphic solutions blend seamlessly into an exhibit space, telling stories through colour, material, and shape. Cathryn is adept at capturing the nature of a project, and creates exhibits and brands that stand apart from the crowd.
