

Scott Plumbe

Exhibit Designer

In addition to designing exhibits, Scott is a celebrated artist who illustrated National Geographic's seven-book series, Explorer Academy and the Hans Christian Andersen Award-winner, Cao Wenxuan's Maplewood Ford. As an Exhibit Designer, Scott draws on his experience working with storytellers to bring voices to life in three-dimensional spaces. He hooks visitors through relatable polysensory experiences, keeping them engaged and ensuring they understand the whole story.

Education

Diploma in Graphic Design & Illustration
Capilano University, Vancouver, BC
